

Accepted language certificates for the Overseas call with proficiency level marked according to the Common European Framework of Reference (CEFR)

The following language certificates (see chart below) are accepted and can be submitted instead of sitting the *Centro Linguistico d'Ateneo* (CLA) language test.

In addition are exempted from sitting the CLA language test:

- students who have sat CLA language tests for mobility programmes in any of the two previous academic years, i.e. 2022/2023 or 2023/2024. These certificates are still considered valid for the Overseas Call 2025/2026 and therefore do not have to be sat again.
- Students who have obtained a certificate stating that the applying student attended a language course matching with the requested level at the CLA issued after 1 October 2022. This certificate is considered valid for the Overseas Call 2025/2026. The certificate must be submitted during the application procedures on AlmaRM.
- For **French, Portuguese and Spanish**, students can also prove their language proficiency by enclosing with their application a certificate obtained from the Language Center of a foreign university where they have spent a study period within the framework of institutional exchange programs (e.g., Erasmus). The certificate should specify the language level achieved and the skills acquired through the descriptors of the Common European Framework of Reference for Languages (e.g. B1, B2, C1 etc.). The language certified by the host university must be the same spoken in the exchange Partner University country. The level indicated in the certificate must correspond to or be higher than the level required by the University for which the student is applying. Moreover, the certification must have been issued after 1 October 2022
- Students who have earned a high-school diploma or an academic degree in the language of instruction of the partner university he/she applies for (only for Chinese, Japanese, French, Portuguese, Russian and Spanish). The high-school diploma, bachelor's or master's degree must be submitted in the application and must clearly state the language in which the degree was earned. Only selected candidates will be required to submit additional certificates at the application stage if requested by the host university
