

Résumé Professor Martin Zebracki

Martin Zebracki has an educational background in Human Geography and Urban and Regional Planning at Utrecht University, the Netherlands, and is currently Professor of Human Geography and Social Inclusion in the School of Geography at the University of Leeds, United Kingdom. He has researched and published widely on public art, place and identity, and social inclusivity. Zebracki leads collaborative research projects on queer memorials, inclusive field research, and methods of art and activism for social and environmental justice. He chairs the Space, Sexualities and Queer Research Group at the Royal Geographical Society (with IBG). He is an editorial board member of journals, including *Public Art Dialogue*, *Geoforum*, *Digital Geography and Society*, and *Sexualities*.
