EDUCATION/TRAINING

INSTITUTION AND LOCATION	DEGREE	Date	FIELD OF STUDY
Université de Montréal, Qc, Canada	BSc	1992-1995	Biology
Université de Montréal, Qc, Canada	Certificate	1995-1996	Drug addiction: rehabilitation & prevention
Université de Montréal, Qc, Canada	MSc	1996-1998	Pharmacology
McGill University, Qc, Canada	PhD	1998-2004	Epidemiology and Biostatistics
Université de Montréal, Qc, Canada	Post-doctorate	2004-2005	Research in addictions and mental health policy and services
Harvard School of Public Health, Boston, USA	Post-doctorate	2005-2006	Psychiatric Epidemiology
McGill University, Qc, Canada	Post-doctorate	2006-2007	Mental health services research

ACADEMIC POSITIONS

- 2017 – Present: Full Professor, Faculty of Medicine and health sciences, Department of Community health sciences, Université de Sherbrooke
- 2015 – Present: Researcher, Institut Universitaire sur les Dépendances, Montréal
- 2012 – Present: Researcher at the Institut du Savoir Montfort (ISM), Ottawa
- 2012 – 2017: Associate Professor, Faculty of Medicine and health sciences, Department of Community health sciences, Université de Sherbrooke
- 2010 – 2012: Adjunct Professor, Department of Educational and Counselling Psychology, McGill University
- 2007 – Present: Researcher at the Centre de Recherche – Charles-Le Moyne affiliated with the University of Sherbrooke
- 2007 – 2012: Assistant Professor, Faculty of Medicine and health sciences, Department of Community health sciences, Université de Sherbrooke

DISTINCTION

- 2023 : Laureate - 2023 Visiting Scholars Programme; Université de Bordeaux, France
- 2020 : Laureate - 2020 Visiting Scholars Programme; Université de Bordeaux, France
- 2018 : Article of the Year prize – Institute of Health Services and Policy Research, Canadian Institutes of Health Research
- 2015 – 2019: Senior Research Scholar- Fonds de recherche du Québec Santé, Québec's Health Research Fund
- 2011 – 2015: Junior 2 Research Scholar - Fonds de recherche du Québec Santé, Québec's Health Research Fund
- 2007- 2011: Junior 1 Research Scholar - Fonds de recherche du Québec Santé, Québec's Health Research Fund
- 2006-2009: Post-doctorate Fellowship, Fonds de recherche du Québec Santé
- 2005-2006: Post-doctorate Fellowship, Canadian Institutes of Health Research
- 2004-2005: Post-doctorate Fellowship, Research in Addiction and Mental Health Policy and Services (RAMHPS) program, Canadian Institutes of Health Research

BOARDS/COMMITTEES (past 5 years)

- 2018 - Present: Institut national d'excellence en santé et services sociaux -INESSS, Conseil d'administration
- 2018 – 2023: CIHR IAB Member, Institute of Neuroscience and Mental health and Addictions
- 2018 – 2023: Executive member, Canadian association of psychiatric epidemiology (CAPE)
- 2018: Scientific expert, Mental Health Commission of Canada, report on mental health indicators
- 2017 – 2018: INESSS, membre du Comité d'excellence clinique en SM, dépendance et services aux jeunes.
- 2016 – 2018: CIHR: IAB on Research Excellence, Policy and Ethics.
- 2016: INESSS Scientific expert 'Avis sur l'accès équitable aux services de psychothérapie'
- 2013 – Present: Executive Committee member of the Charles-Le Moyne Hospital Research Center

Peer review committee memberships (past 5 years)

- 2023, 2024 - CIHR, Project Grant
- 2023, 2024 - FRQS, Chercheurs-boursiers et chercheuses-boursières
- 2020 - CIHR, Operating Grants
- 2015 – 2021- FRQS, Chercheurs-boursiers et chercheuses-boursières
- 2015 - 2021 CIHR, Fellowships

Editorial Board Member

- 2018 - : BMC Psychiatry

TEACHING (Université de Sherbrooke):

- 2016 – Present : Épidémiologie (multi-instructor).
- 2012 – Present : Concepts méthodologiques en sciences de la santé (multi-instructor).
- 2012 – Present (every two years): Épidémiologie de la santé mentale

PhD THESIS EXAMINATION COMMITTEES

- Mélanie Ann Smithman. Évaluation des effets des guichets d'accès pour la clientèle orpheline sur l'accès à un médecin de famille au Québec, Université de Sherbrooke, 2022, Présidente de jury.
- J Jonathan, «Une étude compréhensive des coûts d'une intervention Logement d'abord pour les individus avec consommation problématique et un historique d'itinérance, incluant une analyse des facteurs influençant la fluctuation des coûts». U Ottawa, 2017.
- C Lunghi, «La dépression parmi les patients atteints de diabète de type 2 au Québec: Effet sur l'adhésion au traitement antidiabétique», U Laval, 2016.
- C Beauchemin, «Intégration des mesures intermédiaires de survie dans les évaluations économiques en cancer du sein métastatique» U de Montréal, 2016.
- M Chiasson, «Mesure de l'état de stress post-traumatique chez les personnes âgées : Évaluation des propriétés psychométriques de L'IESR» UQTR, 2015.
- K Demers, «Étude des facteurs liés à l'utilisation des services de santé pour des symptômes de détresse psychologique chez les personnes âgées» U de Sherbrooke, 2013, Présidente de Jury;
- A Ngamini Ngui, «Les déterminants de l'utilisation des services en santé mentale dans le sud-ouest de Montréal» U de Montréal, 2012.
- SG Béland, «Développement et validation d'un score de prédiction des risques d'institutionnalisation et de décès pour le contrôle des variables confondantes non-mesurées dans la population âgée» U de Montréal, 2011.

FUNDING HISTORY – PAST 5 YEARS

2022/7 - 2025/6: Between tension and harmony: conversations about cannabis use among pregnant women in Quebec [Entre tension et harmonie : conversations autour de la consommation de cannabis chez les femmes enceintes au Québec].

Principal Applicant: José Ignacio Nazif-Munoz. Co-applicants: K Bertrand, M Goyette, N L'Espérance, H-M Vasiliadis, C Huynh, V Massamba; Fonds de recherche du Québec - Société et culture (FRQSC) Actions concertées - Programme de recherche sur le cannabis/Projet de recherche; \$198,959.

2020/4 - 2025/3: A pragmatic randomized controlled trial of a group self-management support program for anxiety disorders.

Principal Applicants: J Houle, J-R Provost, P Roberge. Co-applicants: A Beaudin, P Bower, F Camirand Lemyre, P Cardinal, S Coulombe, M Drapeau, M-S Drouin, A Grant, C Hudon, M D Provencher, H-M Vasiliadis; Canadian Institutes of Health Research (CIHR) - Concours de subventions Projet de l'automne 2019; \$604,350.

2021/10 - 2024/9: Transdiagnostic internet cognitive-behavior therapy for mixed anxiety and depressive symptoms in postnatal women: A randomized controlled trial.

Principal Applicants: P Roberge, H-M Vasiliadis. Co-applicants: M-C Beaulieu, M-H Chomienne, A Cumyn, M Drapeau, C Durand, A Girard, V Giroux, J Grenier, H Haskeberg, C Hudon, D Koszycki, R Labelle, A Mahoney, M D Provencher; Canadian Institutes of Health Research (CIHR) -

Project Grants; \$478,126.

2023/6 - 2024/5: Digital cognitive-behavior therapy for anxiety and depressive disorders: Building an impactful research project from international partnerships and knowledge exchange in primary care.

Principal Applicants: P Roberge, H-M Vasiliadis; Canadian Institutes of Health Research (CIHR) Planning and Dissemination Grant - Institute Community Support; \$10,000.

2023/6 - 2024/5: Building capacity to optimize the delivery of perinatal mental health psychological services through the increased involvement and empowerment of non-mental health specialists in Québec, Canada.

Principal Applicant: Jessica Spagnolo. Co-applicant: H-M Vasiliadis; Canadian Institutes of Health Research (CIHR) - Planning and Dissemination Grant - Institute Community Support; \$26,335.

2020/10 - 2024/3: Mental health planning in the era of a pandemic: appropriately matching mental health needs with resources across Canada through a rapid assessment of COVID-19's impact on adults and older adults. Principal Applicants: H-M Vasiliadis, M Gilbert, E R Mantler. Co- Co-applicants: M-J Fleury, J-P Gouin, S Grenier, C Loignon, N Noisel, P Roberge, J Spagnolo, J Wang; Canadian Institutes of Health Research (CIHR) - Op. Grant: COVID-19 MS & Substance Use - Matching Access to Service with Needs / Subv fonct: SM/Toxi ; \$200,000.

2023/4 - 2024/3: Mental health following traumatic injury: Exploring current approaches by healthcare professionals and ways to improve them [La santé mentale à la suite de blessures traumatiques : Exploration des approches actuelles des professionnels de la santé et de pistes de solutions pour les améliorer].

Principal Applicant : Mélanie Bérubé. Co-applicants: H-M Vasiliadis, MO Martel, M Perreault, L Archambault, V Turcotte, H Provencher, K Perreault; Quebec Population Health Research Network - Soutien à une initiative structurante sur la santé mentale des populations; \$30,000.

2020/4 - 2024/3: Inappropriate opioid prescription [Prescriptions inappropriées d'opioïdes chez les aînés vivant à domicile : associations avec la douleur chronique, la multimorbidité, la qualité de vie et les coûts liés à l'utilisation des services de santé].

Principal-applicant: H-M Vasiliadis. Co-applicants: K Bertrand, L Guénette, C Lunghi. Collaborator : D Berbiche, Ministère de la Santé et des Services sociaux (Québec) - Programme sur l'usage et les dépendances aux substances; \$334,020.

2021/12 - 2024/3: Evidence-based interventions to address social anxiety disorder during COVID-19.

Principal applicants: H-M Vasiliadis, P Roberge. Co-applicants: A Lesage, A Mahoney, D Koszycki, J Grenier, J Spagnolo, J A Naslund, M Brodeur, M-C Ishimo, M-H Chomienne, M Drapeau, M D Provencher, R Labelle; Canadian Institutes of Health Research (CIHR) - Emerging COVID-19 Research Gaps & Priorities; \$675,516 (Canadian dollar).

2023/4 - 2024/3: Adaptation of an evidence-based online iCBT intervention for older adults with depression and anxiety.

Principal applicants: H-M Vasilidis, S Grenier. Co-applicants: C Hudon, P Roberge; Fonds de recherche du Québec - Santé (FRQS); \$33,000 (Canadian dollar).

2021/9 - 2023/9: Mental Health Interventions in Francophone Countries: What are the lessons learned on the delivery of mental health services during a pandemic?

Principal applicants: H-M Vasiliadis, J Spagnolo. Co-applicants: F Charfi, J A Naslund, S Ouédraogo, S Yaya; Réseau de recherche en santé des populations (RRSPQ) - Nouvelles stratégies de recherche/les pratiques de soins en santé mondiale COVID-19; \$8,700.

2021/12 - 2023/4 : Project to evaluate innovations in optimizing musculoskeletal healthcare trajectories [Projet d'évaluation d'innovations en optimisation des trajectoires en santé musculosquelettique].

Principal applicant: M Beauséjour. Co-applicants: D Fieldman, H-M Vasiliadis, J-F Clément,

J Spagnolo, M Breton. Principal Knowledge User : C Sauvé; Ministère de la Santé et des Services sociaux (Québec); \$170,800.

2020/4 - 2023/3 : Major users of mental health emergency services and recommendations for service improvement [Grands utilisateurs de l'urgence en santé mentale et recommandations pour l'amélioration des services]. Principal applicant: M-J Fleury. Co-applicants: L Farand, F Ferland, L Gentil, C Huynh, A Lesage, X Meng, H-M Vasiliadis; Canadian Institutes of Health Research (CIHR) - Concours de subventions Projet de l'automne 2019; \$371,024.

2019/7 - 2023/3: Development and Evaluation of Culturally Adapted CBT to Improve Community Mental Health Services for Canadians of South Asian Origin. Principal applicants: F Naeem, K McKenzie. Co-applicants: A Ashraf A, M Ayub, S Bobbili, I Husain, S Kidd, S Narikuzhy, M Sanches, G Vardi, H-M Vasiliadis H-M; Health Canada - Policy Contribution Program (HCPCP); \$1,027,233.

2021/4 - 2023/3: Transforming *Accompagnement-citoyen personnalisé d'intégration communautaire* (APIC) to promote active aging, social participation and intergenerational interactions among older Quebecers: An action-research project to better equip local organizations during a period of confinement. Principal applicant: M Levasseur. Co-applicants: G Aubin, J Filiatrault, C Gagnon, MJ Levert, H-M Vasiliadis, P Morin, P. Collaborators: M Audet, LC Bergeron, M-P Laurent, K Levasseur, M Roberge, M Trudeau; Fonds de recherche du Québec - Société et culture (FRQSC) - Action concertée | Programme de recherche-action pour un vieillissement actif de la population du Québec; \$222,250.

2020/5 - 2023/3: Mental disorders and substance use disorders as determinants of opioid-related deaths in Quebec. Principal applicants: A Lesage, V Massamba. Co-applicants : M-J Fleury, M Gagné, F Gholizadeh, M-E Goyer, C Huynh, D Jutras-Aswad, P Levesque, L Rochette, M Shemilt, H-M Vasiliadis; Ministère de la Santé et des Services sociaux (Québec) - PUDS-toutes substances et PUDS-opioïdes; \$76,983 and \$76,982.

2021/4 - 2023/3: Predicting perceived and unmet mental health needs in the populations. Principal applicant: JL Wang. Co-applicants: A Carrington, G Kephart, H Orpana, H-M Vasiliadis; 2021/4 - 2023/3 Canadian Institutes of Health Research (CIHR) - COVID-19 priorities; \$255,000.

2022/3 - 2023/2: Optimizing regionally centralized services in musculoskeletal health for patient, professional and system outcomes. Principal applicant: M Beauséjour. Co-applicants: A Ruiz, D Fieldman, H-M Vasiliadis, J-François Clément, J Spagnolo. Principal Knowledge User: C Sauvé; Canadian Institutes of Health Research (CIHR) - Catalyst Grant: Quadruple Aim and Equity; \$99,962.

2021/4 - 2022/9: ADHD medications and mortality. Principal applicant: H-M Vasiliadis; Co-applicants : C Lunghi, E Rahme, A Lesage, M Gignac, A Fansi, V Massamba, FB Diallo, L Rochette. Réseau québécois sur le suicide, les troubles de l'humeur et les troubles associés - Support for research on Suicide Prevention Programs in Quebec; 10,000.

2019/4 - 2022/3: Support for the implementation of interdisciplinary adapted access in family medicine groups and academic family medicine groups [Soutien à l'implantation de l'accès adapté interdisciplinaire dans les groupes de médecine de famille et groupes de médecine de famille universitaire]. Principal applicants: M Breton, I Gaboury. Co-applicant: H-M Vasiliadis; Fonds de recherche du Québec - Santé (FRQS) - La recherche axée sur le patient en appui aux transformations; \$636,760.

2016/7 - 2022/3: Developing and evaluating a continuum of innovative interventions promoting health and social participation in older adults. Principal applicant: Mélanie Levasseur. Co-applicant: H-M Vasiliadis; Canadian Institutes of Health Research (CIHR) - Foundation Grant; \$1,011,131.

2020/10 - 2021/9: Transdiagnostic internet cognitive-behavior therapy for mixed anxiety and depressive disorders in primary care: A dissemination and implementation study. Principal applicants: P Roberge, H-M Vasiliadis, MC Beaulieu. Co-applicants: M-H Chomienne, B Collard,

M Drapeau, M Gilbert, J Grenier, H Haskelberg, J Houle, C Hudon, R Labelle; Canadian Institutes of Health Research (CIHR) - Operating grant - COVID-19 priorities; \$200,000.

2020/6 - 2021/5 : Definition and validation of algorithms for detecting cases of depression and anxiety using Quebec medico-administrative databases (MED-ECHO and RAMQ) for people aged 65 and over. [Définition et validation d'algorithmes de détection des cas de dépression et d'anxiété à l'aide des banques de données médico-administratives (MED-ECHO et RAMQ) du Québec pour les personnes âgées de 65 ans et plus].

Principal applicant : C Lunghi. Co-applicants : L Guénette, H-M Vasiliadis, GCU Ekanmian; Réseau Québécois de Recherche sur le Vieillissement - Projets pilotes; \$24,000.

2018/5 - 2021/4 : Collaborative governance of the Réseau de cancérologie du Québec: a realistic assessment of institutionalization mechanisms, multi-level governance and value creation through a longitudinal multiple case study [Gouvernance collaborative du Réseau de cancérologie du Québec: une évaluation réaliste des mécanismes d'institutionnalisation, de la gouvernance multipaliers et de la création de valeur par le biais d'une étude de cas multiples longitudinale.]

Principal applicants: N Touati, D Tremblay. Co-applicants: D Berbiche, K Bilodeau, J-L Denis, J Hébert, T Poder, M-P Pomey, C Prady, G Roch, H-M Vasiliadis; Fonds de recherche du Québec – Santé- Oncopole EMC2; \$910,851.

2017/10 - 2021/3: Anxio-depressive symptom and treatment adherence trajectories associated with clinical outcomes and quality of life in a community sample of older adults with chronic disorders.

Principal applicant: H-M Vasiliadis. Co-applicants: G Turecki, L Guénette, H Forget, C Hudon, S Grenier, Y Chagnon; Canadian Institutes of Health Research (CIHR) - Catalyst grant; \$200,000.

2020/4 - 2021/3: Describing regional differences in the operation and use of Quebec's centralized access points via primary health care settings to improve patient access to specialized mental health services.

Principal applicants: H-M Vasiliadis, M Beauséjour. Co-applicants: J-F Clément, M-J Fleury, C Gamache, C Sauvé; Réseau en recherche en santé des populations du Québec - Concours initiatives structurantes 2019-2020 de l'axe stratégique Santé mentale des populations; \$15,000.

2020/4 - 2021/3: Psychological distress and adherence to social distance during COVID-19; Government-approved self-isolation guidelines for the elderly [Détresse psychologique et adhésion à la distance sociale pendant COVID-19; Directives d'auto-isolement approuvées par le gouvernement pour les personnes âgées]. Principal applicants: J-P Gouin, S Grenier. Co-applicants: M Aubertin, S Belleville, T Dang-Vu, B Knauper, P Rainville, N Vasil, H-M Vasiliadis; Réseau québécois de recherche sur le vieillissement - Soutien à la réalisation de projets de recherche dans le cadre de la pandémie COVID-19; \$30,000.

2019/3 - 2020/12: Towards understanding the factors associated with late-life psychosis in two community dwelling older adult cohorts: secondary data analysis of the HELIAD and ESA-Services Studies.

Principal applicant: H-M Vasiliadis. Co-applicants: S Grenier, C Hudon, PVQ Nguyen, N Scarmeas; Fonds de recherche du Québec - Santé (FRQS) - Pilot project: Quebec network research aging; \$25,000.

2016/6 - 2020/9 : Post-traumatic stress disorder among police officers and 9-1-1 attendants: A comparison of effectiveness and costs between usual intervention and innovative intervention [Désordres post-traumatiques chez les policiers et les préposés du 9-1-1 : Une comparaison de l'efficacité et des coûts entre l'intervention habituelle et une intervention novatrice].

Principal Applicants: A Brunet, Co-applicants: I Rouleau, H-M Vasiliadis, A Bisson Desrochers, D Saumier; Institut de recherche en santé et en sécurité du travail - Operating grant; \$457,009.

2018/3 - 2020/3: Web-based transdiagnostic cognitive-behavioral therapy for first-line anxiety and depressive disorders: a pragmatic randomized trial feasibility study. [Thérapie cognitive-comportementale transdiagnostique sur le Web pour les troubles anxieux et dépressifs en première ligne : une étude de faisabilité d'un essai pragmatique randomisé].

Principal Applicants: P Roberge, H-M Vasiliadis. Co-applicants: G Andrews, A Lesage, R Labelle;
Medtech Partners – Fonds de soutien à l'innovation en santé et en services sociaux (FSISSS); \$160,889.

2018/5 - 2020/3: Assessing the costs and benefits of insuring psychological services as part of Medicare in Canada.

Principal applicant: H-M Vasiliadis; Canadian Institutes of Health Research (CIHR) - Institute Community Support Award; \$12,000.

2018/4 - 2019/12: Effects of a brief intervention targeting the sleep environment in non-institutionalized seniors [Effets d'une intervention brève ciblant l'environnement de sommeil chez les aînés non institutionnalisés].

Principal applicant: Sophie Desjardins. Co-applicants: S Hood, C Hudon, M Landry, S Lapierre, H-M Vasiliadis; Réseau québécois de recherche sur le vieillissement - Projet Pilotes; \$25,000.

2015/10 - 2019/9: A pragmatic randomized controlled trial of group transdiagnostic cognitive behaviour therapy for anxiety disorders in primary care.

Principal applicants: P Roberge, M D Provencher. Co-applicants: M M Antony, N Chaillet, I Gaboury, P Gosselin, J Houle, C Hudon, P J Norton, H-M Vasiliadis; Canadian Institutes of Health Research (CIHR) Open operating grants; \$700,184.

STUDENT/POSTDOCTORAL SUPERVISION (completed, ongoing)

Master's Thesis

2023/4 -

Principal Supervisor. Catherine Grenon (In Progress), Université de Sherbrooke

Thesis/Project Title: Les facteurs associés à la présence de trouble de stress posttraumatique chez la population générale en contexte de pandémie de COVID-19

2022/9 -

Co-Supervisor. Amélie Gadbois (In Progress), Université de Sherbrooke

Thesis/Project Title: Analyse descriptive de la réussite en stages des personnes étudiantes dans un programme de soins infirmiers

2018/5 - 2021/2

Co-Supervisor. Michaud, Marie-Ève, Université de Sherbrooke

Title: L'association entre la saine alimentation et la pratique de l'activité physique chez les jeunes : Profil longitudinal de cohorte de jeunes étudiants

2018/1 - 2024/9

Principal Supervisor. Messaoui, Feriel (In Progress), Université de Sherbrooke

Title: Troubles de santé mentale et les facteurs associés à l'utilisation des services de santé par les immigrants au Canada

2017/1 - 2019/9

Co-Supervisor. Léonard, Marie-Jeanne, McGill University

Title: The Costs of Post-Traumatic Stress Symptoms Among Canadian Attorneys

2017/1 - 2020/11

Principal Supervisor. Farhat Saidi Mohamed Mkandz, Université de Sherbrooke

Thesis/Project Title: L'état de santé perçue, la satisfaction envers la vie et l'utilisation des services de santé liés à la violence familiale chez les personnes âgées vivant à domicile au Québec

2016/9 - 2018/9

Principal Supervisor. Milan, Raymond, Université de Sherbrooke

Title: The impact of the presence of adverse effects associated with persistence to antidepressant use in older adults.

2016/1 - 2019/6

Co-Supervisor. Cacheiro-Millette, Raquel, Université de Sherbrooke

Title: Les GACOs pour étudier l'effet de différents indicateurs de vulnérabilité et de maladie chronique sur le temps d'attente à avoir un suivi médical

2015/9 - 2017/8

Principal Supervisor. Bakouni, Hamzah, Université de Sherbrooke

Thesis/Project Title: L'utilisation hors indication des antipsychotiques chez les aînés au Québec: Une étude transversale sur la prévalence et les facteurs déterminants

2014/9 - 2018/9

Co-Supervisor. Nolin, Marc-Antoine, Université de Sherbrooke

Thesis/Project Title: L'injection de médicaments opioïdes et son influence sur le risque d'hépatite C chez les utilisateurs de drogues par injection (UDI) au Québec

2013/9 - 2015/7

Principal Supervisor. Lamoureux-Lamarche, Catherine, Université de Sherbrooke

Thesis/Project Title: La qualité de vie liée à la santé et les coûts associés au syndrome de stress post-traumatique chez les personnes âgées

2013/9 - 2016/9

Principal Supervisor. Massamba, Victoire, Université de Sherbrooke

Thesis/Project Title: L'adéquation de la prescription d'antidépresseur chez les personnes âgées qui consultent en médecine générale.

2012/9 - 2014/5

Co-Supervisor. Gontijo Guerra Samantha, U de Sherbrooke

Thesis/Project Title: Affections dermatologiques et troubles dépressifs : leur association chez les personnes âgées du Québec

2012/9 - 2015/3

Principal Supervisor. Gagné, Sarah, U de Sherbrooke

Thesis/Project Title: Étude des déterminants de l'utilisation des services ambulatoires de santé pour la dépression au Canada : Différences de genre

2011/9 - 2013/6

Co-Supervisor. Jozwiak, Natalia, U de Sherbrooke

Thesis/Project Title: La dépression associée au deuil et la dépression atypique chez la population âgée du Québec

2010/9 - 2012/6

Principal Supervisor. Dionne, Pierre-Alexandre, U de Sherbrooke

Thesis/Project Title: L'impact économique des ordonnances potentiellement non appropriées de benzodiazépines dans la population âgée vivant à domicile

2009/9 - 2011/6

Co-Supervisor. Bossé, Cindy, U de Sherbrooke

Thesis/Project Title: Determinants of antidepressant use in community living older adults

2009/9 - 2013/5

Co-Supervisor. Makouche, Noria, U de Sherbrooke

Thesis/Project Title: Hypertension, morbidité psychiatrique et réactivité cortisolémique chez les personnes âgées

PhD Thesis

2023/5 - present

Principal Supervisor. Rigobert Lotoko-Kapasa, Université de Sherbrooke

Thesis/Project Title: Trajectoires de symptômes d'anxiété et dépression avant, pendant et après les pics de la pandémie COVID-19, les facteurs associés et l'utilisation des services de santé

2021/1 - present

Co-Supervisor. Cristina Leblanc, Université de Sherbrooke

Student Degree Start Date: 2021/1

Thesis/Project Title: Coût-efficacité de la télé-réadaptation en prévention et traitement de la dépression chez les survivants d'un accident vasculaire cérébral

2019/9-2024/1

Principal Supervisor. D'Aiuto, Carina, Université de Sherbrooke

Thesis/Project Title: L'utilisation inappropriée des opiacés: les facteurs associés et l'effet sur la mortalité et les coûts reliés au système de santé.

2017/9 - 2021/5

Principal Supervisor. Bakouni, Hamzah, Université de Sherbrooke

Thesis/Project Title: Événements stressants et persistance de l'anxiété généralisée chez les aînés

2016/9 - 2022/9

Co-Supervisor. Chapdelaine, Alexandra, Université de Sherbrooke

Thesis/Project Title: Economic evaluation associated with transdiagnostic CBT for anxiety disorders: pragmatic randomised study in primary care

2015/9 - 2021/12

Principal Supervisor. Lamoureux-Lamarche, Catherine, Université de Sherbrooke

Thesis/Project Title: L'adéquation et l'efficacité du système de santé mentale à combler les besoins de santé mentale des aînés.

2014/5 - 2021/8

Principal Supervisor. Gontijo-Guerra, Samantha, Université de Sherbrooke

Thesis/Project Title: La multimorbidité physique et psychiatrique chez les personnes âgées: l'impact sur le système de soins de santé et les individus

2013/1 - 2017/12

Principal Supervisor. Gentil, Lia, U de Sherbrooke

Thesis/Project Title: L'effet du statut de la santé mentale sur l'adhésion à la pharmacothérapie chez les patients âgés diabétiques et hypertendus et l'impact sur les coûts des services de soins de santé au Québec

Post-doctoral students (Principal Supervisor)

2023/9

Camilla Porto Campello, Université de Sherbrooke

Better understanding the long-term effects of SARS-COV-2 and its relationship with neuropsychological, mental disorders, and pain

2022/6 - 2023/7

Jessica Spagnolo, Université de Sherbrooke

Patient, primary care provider, and health system factors associated with the use of centralized referral mechanisms implemented to improve patient access to specialized mental health services in Quebec

2019/9 - 2021/9

Tamer Ahmed, Université de Sherbrooke

Risk of physical functioning and cognitive decline among older adults with anemia.

2013/9 - 2015/12

Dezetter, Anne, Université de Sherbrooke

Cost-benefit analysis of adequate mental health care for anxiety
