

Lecture notes in artificial intelligence LNAI

La serie Lecture Notes in Artificial Intelligence (LNAI) è stata fondata nel 1988 come sottoserie tematica di Lecture Notes in Computer Science (LNCS) dedicata all'intelligenza artificiale. La serie pubblica risultati di ricerca ad alto livello destinati alla comunità internazionale fornendo un servizio inestimabile, principalmente incentrato sulla pubblicazione di atti di conferenze e workshop. La biblioteca possiede i volumi pubblicati tra il 1988-2011. Alcuni titoli sono disponibili anche in formato elettronico per gli utenti istituzionali dell'Ateneo.
