

Emilia Rizzi

24.01.1994

Strada parasacchi 15, 43123

Parma - Italy

Phone : +393331444486

E-mail : emilia.rizzi2@unibo.it

PhD Student

Education

2020 <i>Delft -Netherlands</i>	MSc in Coastal Engineering and Port Development IHE Delft
2020 <i>Wageningen –Netherlands</i>	MSc in Aquaculture and Marine Resources Management Wageningen University and Resaerch
2016 <i>Milan -Italy</i>	BSc in Environmental Engineering Politecnico di Milano
Language:	Italian : first language English : Excellent
Software :	Word, Excel, Power Point, MATLAB, R, Delft3D, XBeach, linux, PYTHON, Fortran, SHYFEM, Wave Watch 3

Professional Experiences

Da 09 2019 A 05 2020 <i>Papendrecht, Netherlands</i>	Royal Boskalis Westminster N.V. Research Internship Use of XBeach numerical model to study the wave dissipation effect of an artificial reef in Mamaia bay, Romania. Additionally, determine the best reef design after studying the coastal evolution for different placements of the reefs.
Da 09 2017 A 03 2018 <i>Shimoni, Kenya</i>	REEFolution Research Internship Monitor coral fragments growth in different reefs present in Shimoni area, Kenya. Study wether there was a correlation between coral growth and herbivorous activity on the mariculture structures or herbivour density on the reef.
Da 03 2016 A 05 2016 <i>Milan, Italy</i>	Mapei HSE office Check the HSE office emails; update the information on the Excel file used for the calculation of the environmental and safety indexes of the company; modify the Excel sheet and draw graphs which were easily understandable and informative.

Interests and other activities

Horse riding, scuba diving (Dive master, PADI No. 433145), volleyball, travel, food and movies.
